ARTICLE 6**SALARIES**

6.0.1 When requested by either party, an ad hoc committee composed of representatives from the District and MEA will meet to jointly study all elements of total compensation to identify available resources for negotiations.

6.0.2 Both parties agree that total compensation will be a product of, but not limited to, the following elements:

10.12 CHILDREN'S SCHOOL ACTIVITY LEAVE (CSAL)

10.12.1 Children's School Activity Leave may be used by a parent or legal guardian to participate in their child's school activities. CSAL is an unpaid leave requiring twenty-four hours notification to the supervisor. If coverage for the absent bargaining unit member at the site or department can be accommodated without disruption to operations or without needing a replacement, the bargaining unit member may take the leave and remain in paid status if the event is less than two (2) hours. If coverage at the site or department can not be accommodated without securing a replacement, the bargaining unit member may take CSAL leave unpaid or the bargaining unit member may elect to take the leave utilizing personal leave. The supervisor will determine if a replacement is required. CSAL amounts for full-time bargaining unit members are a maximum forty (40) hours per year, not to exceed eight (8) hours per month. Part time bargaining unit members' allotments are pro-rated accordingly.

10.13 CATASTROPHIC LEAVE

10.13.1 The purpose of catastrophic leave is to provide bargaining unit members with additional leave when they have exhausted their fully paid sick leave balance and when a licensed physician has confirmed the bargaining unit member needs to be off work for their own, or their immediate family member's catastrophic medical condition.

When a bargaining unit member requests and qualifies for catastrophic leave, the District will send a notice on behalf of the bargaining unit member soliciting donations to the pool. An employee may apply to receive up to twenty (20) days of paid leave from the catastrophic leave program per school year. At the end of the twenty (20) day period, they may re-apply for up to twenty (20) days of additional leave credits. Bargaining unit members shall utilize available leave in accordance with AR 4161.9.

ARTICLE 11**ASSIGNMENT, TRANSFER AND FILLING OF VACANCIES****11.1 DEFINITION OF TERMS**

11.1.1 Elementary Assignment. An assignment is the work site, grade level, or subject area to which a bargaining unit member is legally authorized by the Commission on Teacher Credentialing to fulfill his/her contractual duties.

11.1.6 Involuntary Elementary Reassignment. A reassignment not requested or voluntarily accepted by the bargaining unit member.

11.1.7 Secondary Reassignment. A reassignment is the movement of a bargaining unit member from one credential/subject area authorization or specialized assignment to another credential/subject area authorization at the same work location.

11.1.8 Involuntary Secondary Reassignment. A reassignment not requested or voluntarily accepted by the bargaining unit member.

11.1.9 Transfer. A transfer is the movement of a bargaining unit member from one work site to another work site.

11.1.10 Involuntary Transfer. A transfer not requested or voluntarily accepted by the bargaining unit member.

11.2 VOLUNTARY TRANSFER AND REASSIGNMENT. When a vacancy exists, as determined by the Superintendent, the following procedures shall be followed:

11.2.1 The District shall provide the opportunity for qualified permanent bargaining unit members to be transferred or reassigned and may consider applications of probationary bargaining unit members when it is in the best interest of the District as determined by the Superintendent or designee. The transfer process is as follows:

1. All teaching vacancies for the subsequent school year that become known before June 30th will be posted as a voluntary transfer for qualified permanent teachers to be considered before being posted to the public.
2. Each posting will be communicated in writing to all teachers at the time of posting.
3. Each voluntary transfer posting will be open for five (5) days.
4. The Human Resources Department will review applications to verify all credential qualifications are met.

change in time of interview shall be considered and reasonably accommodated by the interview panel lead.

6. Site principals will notify the Human Resources Department the outcome of the voluntary interviews held, including any recommendations for transfer. The Human Resources Department will notify all interviewed transfer applicants the outcome of the interview process.
7. The Human Resources Department will email an "offer of voluntary transfer" to selected teachers.
8. Teachers will have five (5) calendar days to electronically accept or decline the voluntary transfer offer. Acceptance of a transfer eliminates the option for further consideration of transfer for the upcoming school year.
9. A unit member who has voluntarily transferred to a program or specialized position which is eliminated within three (3) years of the transfer shall be given priority placement of a vacant position of choice for which he/she is qualified. Bargaining unit members will receive a list of known vacancies they are credentialed for within ten (10) days of notice their position is being eliminated and will have five (5) days to select their placement.

11.2.2 If two or more applicants apply and are equally qualified, the bargaining unit member with the greatest seniority shall receive said transfer or reassignment.

11.2.3 A transfer or reassignment decision shall not be made arbitrarily, capriciously, or without basis of fact.

11.2.4 If the request is denied, the bargaining unit member may request a written reason for denial.

11.3 INVOLUNTARY TRANSFER AND INVOLUNTARY REASSIGNMENT

11.3.1 The District will consider volunteers before proceeding with an involuntary transfer or reassignment. A transfer or reassignment shall not be made arbitrarily, capriciously, or without basis of fact.

11.3.2 The Superintendent or designee shall give the affected bargaining unit member reasons in writing for the transfer or reassignment within five (5) work days of notification of the involuntary reassignment.

11.3.3 The bargaining unit member shall be given five (5) contract days' notice in writing of an involuntary transfer. The bargaining unit member to be involuntarily transferred or reassigned may request a meeting with the Superintendent or designee within ten (10) days of receipt of the written reason(s).

11.3.4 Bargaining unit members involuntarily transferred after the start of the school year shall be provided three (3) duty-free contract days of preparation for the new assignment. Bargaining unit members involuntarily reassigned after the start of the school year shall be provided two (2) duty free contract days from the new assignment. Unit members may elect to utilize non-contract days for the preparation and will be compensated at their daily rate. The District shall provide assistance in movement of the bargaining unit member's materials upon transfer or reassignment.

11.3.5 Any teacher involuntarily transferred or reassigned shall not be involuntarily transferred more than one time during the length of this contract or 3 years, whichever is greater. During the term of the agreement in which an involuntary transfer occurs, teachers involuntarily transferred shall be considered first prior to other transfer applicants for positions at their previous site.

- 11.3.6** The District will make a reasonable effort to observe experience and seniority, in that order, in maintaining a bargaining unit member's assignment, when it is in the best interest of the District as determined by the Superintendent or designee.
- 11.4 NOTIFICATION OF ASSIGNMENT.** Preliminary notification of assignment for each subsequent school year shall be communicated to each bargaining unit member not later than June 1st of each school year.

ARTICLE 12	CLASS SIZE
-------------------	-------------------

12.1 ELEMENTARY SCHOOL (TK-5) CLASS SIZE MAXIMUMS

Grade TK The District shall follow the applicable laws and regulations concerning TK.

Grades K-3 In order to protect Grade Span Adjustment revenue, it is necessary to provide flexibility with K-3 class sizes. The district remains committed to the extent possible to make adequate yearly progress toward Grade Span Adjustment goals corresponding to LCFF. Therefore, K-3 classrooms at each site will have a maximum student enrollment of 33 with a site K-3 class size average of 31. The parties agree that this constitutes a collectively bargained alternative to the statutory class size requirements.

It is not the intent of the district to utilize the above language to supersede GSA goals. However, given the current uncertainty regarding district enrollment projections and state of California budget, it is imperative that there is flexibility at the K-3 level district wide.

* District has fifteen (15) days to remedy over-maximum classes

Grades K through 3 Class Size Overage Pay

For each instructional day where enrollment exceeds 30, teachers will be provided the following:

- o \$10 for the 31st Student
- o \$15 for the 32nd Student
- o \$20 for the 33rd Student

Grades 4 and 5

- o Maximum of 35
- o District has fifteen (15) days to remedy over maximum classes.
- o Maximum does not include band classes.

Grades 4 and 5 Class Size Overage Pay

For each instructional day where enrollment exceeds 32, teachers will be provided the following:

- o \$10 for the 33rd Student
- o \$15 for the 34th Student
- o \$20 for the 35th Student

12.1.2 ELEMENTARY COMBINATION TEACHERS - After sites are provided with initial staffing numbers, the Principal will convene with the site leadership team to discuss grade level class sizes through a shared decision-making process. The site will make every effort to minimize combination classes at the elementary level. However, grade levels are charged with assuring grade levels first fall within or below the class size maximum and averages outlined in Article 12.1.

When a principal and site leadership team determine a combination class is the only available option, a volunteer shall first be sought from the school site. Unless mutually agreed upon, no teacher will be assigned a combination class in consecutive years.

Each full-time, regular classroom combination teacher shall receive a \$600 class account that may be used for classroom materials and supplies. The site principal must approve these materials and supplies. The following release time options may be utilized in lieu of a \$600 class account:

- Five (5) days release time for preparation as defined in Article 8.4. Written notification to the site principal must be given two weeks prior to the actual release date and approval by the site principal is required.
- Five (5) days extra-duty pay at the non-emergency substitute rate for activities defined in Article 8.4. Written notification to the site principal must be given two weeks prior to the requested date and approval by the site principal is required.

With approval of their site administrator and the Assistant Superintendent of Human Resources, or designee, a permanent teacher in a combination assignment may be excluded from their regularly scheduled formal evaluation.

12.2 MIDDLE SCHOOL (Grades 6-8) CLASS SIZE MAXIMUMS

The District shall routinely cap maximum class size at 35 with an average of 31 for core classes in grades 6-8. The district will use the following formula to determine compensation for teachers whose combined "core" class sections exceed the average of 31. In the event a teacher has a core class or classes that exceed 35 students, there shall be no compensation provided, unless the combined core class average exceeds 31:

- "# of students over" X \$5.00 = "# X student days exceeding class size average = "# X 95.35% (attendance rate) = Amount to be Compensated.
- The overage formula will be used in unique circumstances when adding staff may not be warranted or possible due to master schedules or disruption considerations. In those unique circumstances where class size averages exceed negotiated limits, the teacher shall be given the opportunity to decline. In cases where class size average exceeds limits, should an alternative placement and/or remedy be unavailable, the District, the Association and the teacher shall meet to mitigate the overage.
- Per the above formula, compensation will only be paid for a combined core class average that exceeds 31. No compensation shall be provided for individual classes exceeding 35. In cases where a single section may exceed 35 and the other sections of the assignment are well under the maximum, MEA and the District will meet to ensure appropriate balancing of sections will occur.
- At the secondary level (6-12), intensive core classes will not be counted towards the teacher's overall class size average.

Maximum of 35 with a class size average of 31 in core classes:

English, Math, Science, Social Science, and Foreign Language

Class sizes will not exceed the number of workstations for elective courses. The number of workstations for each elective course will be determined by the administration with input from the lead teacher. A basic workstation is defined as an assigned location where a student normally spends the majority of class time performing the operational functions necessary to meet the performance objectives and goals of the course.

In the event an individual teacher's class size average for a middle school site exceeds 31, site administration must distribute students equally to teachers with the same academic curricular assignments.

Class average up to 31 will be maintained as equitably as possible while maintaining the integrity of the overall program.

District has twenty (20) days to remedy over-maximum classes

12.3 HIGH SCHOOL (Grades 9-12) CLASS SIZE MAXIMUMS

The District shall routinely cap maximum class size at 35 with an average of 31 for core classes in grades 9-12. The district will use the following formula to determine compensation for teachers whose combined "core" class sections exceed the average of 31. In the event a teacher has a core class or classes that exceed 35 students, there shall be no compensation provided, unless the combined core class average exceeds 31:

- “# of students over” X \$5.00 = “#” X student days exceeding class size average = “#” X 95.35% (attendance rate) = Amount to be Compensated.
- The overage formula will be used in unique circumstances when adding staff may not be warranted or possible due to master schedules or disruption considerations. In those unique circumstances where class size averages exceed negotiated limits, the teacher shall be given the opportunity to decline. In cases where class size average exceeds limits, should an alternative placement and/or remedy be unavailable, the District, the Association and the teacher shall meet to mitigate the overage.
- Per the above formula, compensation will only be paid for a combined core class average that exceeds 31. No compensation shall be provided for individual classes exceeding 35. In cases where a single section may exceed 35 and the other sections of the assignment are well under the maximum, MEA and the District will meet to ensure appropriate balancing of sections will occur.
- At the secondary level (6-12), intensive core classes will not be counted towards the teacher’s overall class size average.

12.4 Middle and High School Physical Education Class Size Maximums

Effective July 1, 2025, the District shall build staffing of General Education Physical Education classes with an average of 57 students, excluding non-traditional PE classes such as Unified PE, Athletic PE, Track, Football, etc. When class size averages exceed 57, the teacher shall be given overage compensation as calculated using the formula referenced in (a.) below. The teacher will not be given the opportunity to decline overages as referenced in Article 12.2 and 12.3.

- a. “#” of students over 57 average x \$5.00 = “#” x student days exceeding class size average = Amount to be Compensated.
 - b. Per the above formula, compensation will only be paid for a combined General Education Physical Education class average exceeds 57.
- Effective July 1, 2026, under no circumstance shall a middle school or high school general education physical education class section exceed 66 students. The District has twenty (20) days to remedy over-maximum classes.
 - Every effort shall be made to balance general education PE class sizes across the department at each site.

12.5 SPECIAL EDUCATION (K-12) CLASS SIZE MAXIMUMS

12.5.1 RESOURCE SPECIALIST - Resource Specialist caseloads shall not exceed 28.

12.5.1.1 A Resource Specialist who is the sole provider of services at more than one school will meet with the district administrator of special education and the site administrators to develop a plan for additional staffing when he/she can no longer meet the level of service required by the Individual Educational Plans (IEP) of his/her caseload.

12.5.1.2 When caseload maximums are exceeded, program support will be added through additional instructional assistance and/or clerical support.

12.5.1.3 RSP CASELOADS - Resource Specialists shall not teach more than three academic core class sections and/or study skills classes, unless mutually agreed upon by both parties.

"# of students over" X \$5.00 = "#" X student days exceeding class size and/or caseload maximum = Amount to be Compensated.

12.5.2 SPECIAL DAY CLASS (SDC) If caseloads and/or class sizes exceed the following maximums, caseloads and/or class sizes shall be examined by the District and affected bargaining unit member to determine what additional staff, instructional support, time, or other assistance is needed:

Elementary (K-3) SDC	14
Elementary (3-5) SDC	15
Middle School and High School (6-12) SDC	18
Severe Disabilities SDC or SH (K-12)	12
Emotional Disturbance/Behavioral Disorders	12
Pre-school	10 Per Session

The District has twenty (20) days to remedy over-maximum caseloads and/or class sizes. The District retains the right to consider factors that may impact the case carrier's assignment. Input from the case carrier will be considered when determining the type of assistance to be given. If caseloads and/or class sizes are unable to be mitigated, the following overage formula may be implemented.

"# of students over" X \$5.00 = X student days exceeding class size and/or caseload maximum
= Amount to be compensated.

The overage formula will be used in circumstances when adding staff may not be possible due to hiring issues or disruption considerations. When caseloads and/or class size exceed limits, should alternative placement and/or remedy be unavailable, the District, the Association, and the teachers shall meet to mitigate the overage.

12.6 SCHOOL NURSE CASELOADS – In order to effectively serve the staff and student population, nurse staffing will be reviewed annually by the District and Lead Nurse to determine staffing needs. The District shall maintain a Nurse to student ratio average of 2,100 students. Assignments will be determined as outlined in Article 11.7.

12.7 SPEECH AND LANGUAGE PATHOLOGIST CASELOADS – In order to effectively serve the population of students who receive educational services, Speech and Language Pathologist staffing will be (1) reviewed, monitored, mitigated throughout the school year and (2) reviewed at a minimum annually in January by the District and the lead SLPs to determine staffing needs for the subsequent year. The following staffing ratios will determine staffing.

Preschool only:	1:40
Elementary and Elementary with Preschool Students:	1:55
Middle School:	1:70
High School:	1:90

Assignments will be determined as outlined in Article 11.7

For Speech and Language Pathologists that require additional assistance to address overages, support will be determined on a case-by-case basis by the affected SLP, by the Executive Director of Special Education or designee, and the Association SSSP Director. Additional support can include SLPA (Speech Language Pathology Assistant), time, clerical support, a Speech and Language Pathologist substitute to provide assistance, or other means of support agreed upon by the SSSP Director, with input from the affected Speech Pathologist.

- 12.8 PSYCHOLOGIST CASELOADS** – In order to effectively serve the population of students who receive educational services, psychologist staffing will be reviewed annually by the District and the lead psychologist to determine staffing needs based upon student need at the time of staffing. The District will annually staff using the following districtwide Psychologist to student ratio average of 1:1000 calculated based on total district enrollment. Annual review of caseloads should include projections for student enrollment for the subsequent year. Assignments will be determined as outlined in Article 11.6.

For Psychologists who require additional assistance during the school year to address overages, support will be determined on a case-by-case basis by the affected Psychologist, the Executive Director of Special Education or designee, and the Association SSSP Director.

- 12.9 SPECIALIZED STUDENT SUPPORT ON SPECIAL ASSIGNMENT**
Specialized Student Support (Nurse, Speech Language Pathologist, and Psychologist) on Special Assignment and Lead Nurse positions shall not be included in staffing ratios as listed in articles 12.5, 12.6, and 12.7.

ARTICLE 13**EVALUATION PROCESS AND PROCEDURES****13.1 - PRINCIPLES OF EVALUATION AND ASSESSMENT**

13.1.1 The District retains the sole responsibility for the evaluation and assessment of performance of each bargaining unit member, subject to the following procedural requirements. The site administrator (or his or her designee) shall have overall responsibility for the evaluation. If someone other than the site administrator (or designee) is the evaluator, or if the District changes the evaluator, the District shall, within a reasonable time, notify the bargaining unit member. The District shall not request bargaining unit members to evaluate other bargaining unit members.

13.1.2 Discipline and discharge procedures may be undertaken independently of the evaluation procedures contained in this Article. This provision shall not, however, constitute a waiver of any right a bargaining unit member may have to adequate notice of performance deficiencies and adequate opportunity to improve. Written evaluations shall be communicated using the evaluation forms shown in Appendix D-1. Information that may be used in a disciplinary matter and/or included in a negative performance evaluation will be given to the employee in written form using school or district letterhead and be signed by the administrator.

13.2 PROCEDURES FOR EVALUATION AND ASSESSMENT

13.2.1 The District shall evaluate and assess bargaining unit member competency within the unit member's assigned role based on the standards set forth in the evaluation form aligned to their role. The following evaluation forms will be utilized:

- a. Teacher
- b. Speech Language Pathologist
- c. Psychologist
- d. Nurse

Additionally, a guide for the California Standards for the Teaching Profession with Elements will be provided to all evaluators to support the Teacher evaluation process.

13.2.2 The evaluation and assessment of bargaining unit member competency shall not include the use of publishers' norms established by standardized tests.

13.2.3 The District shall not require that lesson planning be done in any particular format or require lesson plans to be turned in on a regular basis unless the site administrator has communicated concerns in writing regarding a bargaining unit member's planning to the bargaining unit member. The District may request a lesson plan to be provided prior to a prescheduled observation. This section shall not apply to probationary teachers.

13.2.4 The District shall appoint an evaluator for each bargaining unit member and inform each bargaining unit member to be evaluated of his or her evaluator by the 20th day of service. The bargaining unit member may thereafter request the District to assign an alternate evaluator, but such a decision rests solely with the District. In the case of bargaining unit members assigned after the beginning of the school year, or in the event of a change in evaluators, such notification shall occur within thirty (30) calendar days of the assignment. In the event of a teacher or administrative reassignment after the 20th day of service, the standing Principal or designee reserves the right to reassign a new evaluator for the remainder of the year.

13.2.5 The evaluator shall conduct at least two (2) classroom (or other site) observations for temporary and probationary bargaining unit members (and permanent bargaining unit members in "needs improvement" status.) The District shall conduct the first observation by the sixtieth (60th) day of service.

Permanent bargaining unit members in "meets or exceeds expectations" in any overall standard shall receive no less than one (1) classroom observation during the evaluation year, pro-rated appropriately.

- 13.2.6** In the case of probationary bargaining unit members and permanent bargaining unit members in a "needs improvement" status in any overall standard, and/or on an assistance plan, at least two (2) of such observations shall be prescheduled. This provision does not preclude nonscheduled classroom visitations and observations as an additional useful assessment technique, nor does it preclude classroom observations or visitations during a year in which the bargaining unit member is not being evaluated. Any observation which impacts a bargaining unit member's evaluation shall be written and provided to the bargaining unit member within a reasonable period of time, not to exceed twenty (20) school days. Written classroom observations shall include a notation of date, time in and time out.
- 13.2.7** The evaluator shall provide the bargaining unit member with a copy of the observation report. Either the bargaining unit member or the evaluator may request a conference to discuss the observation and/or observation report prepared by the evaluator. The District will provide copies of observation reports and hold conferences within a reasonable period of time not to exceed fifteen (15) on-track days.
- 13.2.8** Observations shall not be used to harass a bargaining unit member. It is understood between the District and the Association that this section is an evaluation procedural requirement. Comments on the final evaluation may include comments and information from previous observations or other written evidence of bargaining unit member performance as related to Section 2.
- 13.2.9** Summary evaluations shall be in writing on the forms attached hereto as Appendix D-1 and a copy thereof shall be transmitted to the bargaining unit member not later than thirty (30) calendar days before the last day of student attendance of the school year. A meeting shall be held between the bargaining unit member and the evaluator to discuss the evaluation, and such meeting shall be held prior to the end of the school year. If the evaluation reflects a "needs improvement" in any area, the meeting will be given priority and held within a reasonable period of time not to exceed twenty (20) school days from the date of delivery of the evaluation form to the bargaining unit member.
- 13.2.10** All probationary bargaining unit members shall receive at least two (2) summative evaluations per year. All permanent bargaining unit members shall receive an evaluation during their third year of service and at least every fifth (5th) year thereafter. Summative evaluations will be written according to the state criteria. However, the District reserves the right to evaluate permanent bargaining unit members every year.

13.3 ASSISTANCE

13.3.1 If the bargaining unit member's final evaluation reflects less than meets expectations in any overall standard, he or she shall be evaluated the following year. The evaluator and the bargaining unit member shall meet and design specific recommendations for improvement of the bargaining unit member's performance. This assistance plan shall specifically address identified weaknesses and describe a process for improvement. The length or term of the Assistance Plan shall be determined on a case by case basis and shall reflect the nature of the assistance required. There shall be a conference at the conclusion of each assistance plan, as well as every six (6) weeks, at a minimum, while an assistance plan is in effect. The District may recommend a bargaining unit member who has received written notice of needs improvement in any overall standard to participate in a District provided program designed to improve appropriate areas of the bargaining unit member's performance. Permanent Employees who receive two (2) or more overall ratings of Unsatisfactory within Standards one through five (1-5) on the teacher evaluation form shall be referred to the Teacher Support Network.

No assistance plan shall include a provision for mandatory bargaining unit member participation beyond the bargaining unit member's normal workday.

- 13.3.2** The Association shall be notified within a reasonable period of time, not to exceed twenty (20) school days of the assignment of a bargaining unit member to an assistance plan unless the bargaining unit member involved specifically requests that the Association not be notified.

13.4 ASSOCIATION REPRESENTATION

- 13.4.1** The District recognizes the right of representation in employment relations provided under Government Code Section 3543.1 as that section is interpreted by PERB and courts of competent jurisdiction.

- 13.4.2** It is understood by the District and the Association that this right currently includes the right of a bargaining unit member to have representation in any meeting with a person in a supervisory position which the bargaining unit members reasonably believes may lead to discipline or negative evaluation. Bargaining unit members shall not request and shall not be afforded Association representation at any classroom (or other site) observation.

13.5 REBUTTAL

- 13.5.1** The bargaining unit member has the right to initiate a written reaction or response to the evaluation. Such response shall become a permanent attachment to the copy of the evaluation in the bargaining unit member's personnel file. If such response is filed, the evaluation document may be modified at the District's discretion.

- 13.6** The District and the Association acknowledge that unusual circumstances (such as illness of either the evaluator or the bargaining unit member, or emergencies) may prevent compliance with the time limits set forth in this section; however, there will be adherence to the timelines within five (5) on-track days of the end of the unusual circumstances.

MURRIETA VALLEY UNIFIED SCHOOL DISTRICT CAREER TECHNICAL EDUCATIONAL (CTE) TEACHER SALARY SCHEDULE

- CTE teacher certificated salary schedule shall be effective July 1, 2024.
- The district and association acknowledge that for most, obtaining a CTE designated subject teaching credential requires fewer years of education (a high school diploma) than does obtaining a preliminary or clear multiple subject or single subject teaching credential. However, the parties also recognize that CTE teachers often bring many years of outside experience/certifications along with their designated subject teaching credential.
- For the purpose of initial step placement, teachers hired exclusively to instruct CTE designated coursework may be credited a maximum of 7 years teaching experience and/or CTE industry sector experience in the field they were initially hired to teach. The superintendent reserves the right to waive these limitations.
- Beginning in the 2024-25 school year, a CTE salary schedule will specifically apply only to individuals hired exclusively to CTE classes. The salary schedule is similar to current 184 duty day certificated teacher salary schedule, in that it contains the same steps and columns, but it contains some key additions for each column as follows:

A	B	C	D	E	F	G
BA or Voc/DSC Credential	BA/Voc/ DSC Cred +15	BA/Voc/ DSC Cred +30	BA/Voc/ DSC Cred +45 MA	BA/Voc/ DSC Cred +60 MA+15	BA/Voc/ DSC Cred +75 MA+30	BA/Voc/ DSC Cred +75 w/MA MA+45

- Post-credential/degree coursework: courses used for initial salary schedule placement or advancement shall be college work taken from an accredited institution and completed after the employee obtains their bachelor's degree or preliminary CTE designated subjects teaching credential (DSC). A grade of c or higher, or its equivalent (pass), must be earned for course work to count toward salary advancement.
- Article 6.2.3 and 6.3.4 will not apply for CTE teachers.

- Beginning July 1, 2019, JROTC Instructors being paid on the District JROTC Salary Schedule will receive negotiated schedule salary increases. Those receiving Minimum Instructor Pay (MIP) will receive negotiated off schedule one-time payments only.
- The JROTC Instructor salary schedule is based upon 194 workdays, comprised of the 184 Certificated Teacher workdays plus 10 extra days to be used for programmatic needs to be directed in collaboration with site administration and the Senior Officer throughout the fiscal year, which would include weekends.
- For 2019-2020 ONLY: initial step and column placement will be determined based on each individual JROTC Instructor's current salary or MIP in conjunction with longevity, credential, and official transcripts outlining current education levels from an accredited university as outlined in Article 6.3.1. Instructors with initial salaries being paid on the District Salary Schedule above their qualified step and column will remain stationary until longevity or appropriate education level is exceeded to warrant a step and column increase.

- Article 6.2.3 and 6.3.4 will not apply for JROTC instructors.

MURRIETA VALLEY UNIFIED SCHOOL DISTRICT EXTRA-DUTY STIPEND LANGUAGE

- All vacant extra-duty/stipend positions will be posted for five (5) working days. Any position that opens during a season may be filled on a temporary basis by school administration until the season is concluded. These positions will be opened for the following season.
- All extra-duty/stipend percentages are based on Step 1, Column A of the current teacher's salary schedule. In cases of coaching movement from assistant to head coach within a single sport, placement will be at step guaranteeing an increased pay rate.
- Coaches of CIF playoff teams or individuals will be granted an additional 1/12 of their stipend amount for each week or any portion of a week or coaching time beyond the regularly scheduled season.
- Coaches will receive 1/60 of their extra-duty/stipend per day after two weeks of coaching during a December or April intersession. If the school calendar changes, this language will be open for revision.
- Extra-duty stipends may be shared if all members involved, and site administration are in agreement.
- A listed stipend does not necessarily guarantee its funding. However, the Site Leadership Team and District Office agree to work closely together to ensure that schools will have the necessary funding to provide quality programs. All stipend funding provided to the sites by the District must be utilized for contract-listed stipends.
- Teachers working off-track on curriculum and instructional activities will be paid at the daily, non-emergency credentialed teacher substitute rate.
- Y-rating means the person in the extra-duty/stipend position will continue to receive their current rate of pay until they leave the position.
- Teacher release time may be substituted in lieu of hourly rate when SST meetings are held within the school day.
