

SCHOOL BOARD NEWS

September 2023

SUPERINTENDENT'S REPORT

Dr. Andrus began by sharing the news of the district and goals now that we are headed into the sixth week of school. He highlighted the good work teachers are doing across the district and how that has a positive impact on students.

Niche.com - Murrieta Valley USD rating MVUSD was rated the best district in Riverside County, top three in southern California. Many schools in the district were recognized by the website for their stellar work.

California PBIS awarded Monte Vista with the Silver Award.

Two Murrieta Mesa students were recognized by College Board National Recognition for their efforts in academics.

BOARD MEETING AGENDA:

Click here for the full agenda from the September 14th meeting.

There were 22 public comments (3 minutes each). Six teachers shared their perspectives at the podium.

PRESENTATION TO THE BOARD

Expanded Learning Opportunities Program (ELO-P)

Presentation Linked HERE

Focuses on the Elementary students and provides programs across all school sites. Programs include contracts with outside companies as well as MVUSD Staff led programs.

Funded via a grant from the state.

MEA PRESIDENT REPORT

ELEMENTARY CLASS SIZE

MEA highlighted that smaller class sizes are generally associated with numerous benefits. It allows teachers to facilitate better classroom management, differentiation, individualized support, and deeper understanding of the curriculum.

SPECIAL EDUCATION PROGRAMS

MVUSD has been moving away from segregated special education classrooms and towards a more inclusive model. With that focus and seeing a need to support both secondary and elementary members, an Elementary Special Education Director was elected. MEA Eboard welcomes Lupita Solano (Tovashal).

OPEN TO ALL

MEA supports hearing from members. Join MEA at the next board meeting and share your thoughts and opinions.

Upcoming Meeting:

Special Meeting: September 28th
October 12th - 5:30 start time
